**Britain's Forgotten Wars: Colonial Campaigns of the 19th Century** By Ian Herson

This is a collection of Ian Herson's three books, *Massacre and Retribution*, *The Savage Empire*, and *Blood in the Sand*. Much has been written about the great British military triumphs of the 19th century, but there are many more astonishing stories which have been largely forgotten. These forgotten wars cannot hope to compete in history with the Crimean War or the Boer War, but for acts of sheer courage and endurance, they deserve to be remembered. Using the actual words of the soldiers themselves, Ian Herson presents an account which evokes Victorian colonial warfare in all its barbarity and the self-righteous belief of the British in the rectitude of their cause.
