**How to Get Started in Active Trading and Investing** By David S. Nassar, David Nassar

"Online investing is 'back in vogue . . .'"

*-The Wall Street Journal*

*Wall Street Journal* bestselling author David Nassar changed the course of independent investing-and sold more than 100,000 books-with his landmark *How to Get Started in Electronic Day Trading*. Times and markets have changed, however, and a sense of caution has replaced that period's go-for-the-gusto ethos.

At the same time, millions of traders and investors can't help but see-and hunger for-the fast-turnaround trading profits that are still there for the taking. *How to Get Started in Active Trading and Investing* is once again the right book at the right time, distancing itself from the day-trading mania with profitable strategies and techniques for this all-new market. Essential reading for today's new breed of commonsense trader/investor, it explains how to:

- Understand-and profit from-the moves of market makers
- Discover and implement a personalized trading style
- Improve market-timing skills and instincts

[HEAD] Everything You Need to Know to Grab Fast Turnaround Trading Profits--In "Any Market

The "Wall Street Journal has sounded the call--"Online investing is back in vogue"--and millions of independent investors and traders are busy rebuilding their trading fortunes and driving markets to pre-Crash levels. In "How to Get Started in Active Trading and Investing, trading pioneer and "Wall Street Journal bestselling author David S. Nassar gives you the tools, techniques, and knowledge you need to take home the profits that are always available, in every type of market--and once again seize control of your financial future.

"Great traders are hard to find and those that can transfer their knowledge to others are even harder--David (Nassar) is that person. If you only read one book this year, read this comprehensive guide to the markets. It is a rare opportunity to get into the mind of a highly successful trader."

--Mark Fisher

President, MBF Clearing Corp.

NYMEX trader and author, "The Logical Trader

From the Foreword

Praise for previous trading books by David Nassar:

"David Nassar has done an excellent job assembling the key characteristics and attributes traders need that are often ignored."

--William Lupien

Chairman, OptiMark Technologies, Inc.

"Nassar has in mind sophisticated real-time data and computer programs that let ordinary investors see the same stock information pro traders see at the very same moment ... a great introduction."

--"Kiplinger's Personal Finance
