But without her best friend to share it with, it all seems a little hollow. Neil, her fabulous furry wingman, is missing and two grumpy werewolf bodyguards have taken his place.

Undaunted by her humorless babysitters, she intends to track Neil down even if it means risking her newfound romantic bliss. But someone else has plans for Zoey, and they don't intend to play nice. Lucas Halfer is desperate for revenge, and he knows just how to get it.

An ancient Roman legend tells of an artifact that will grant its possessor the power to control all wolves. No one, including Daniel and Dev, believes the Strong Arm of Remus is real but Zoey thinks Halfer might have already located it. With every werewolf pack in North America gathering in Colorado, the demon could enslave an unstoppable army.

To save the day, and possibly the world, Zoey will have to find a way to steal the Strong Arm of Remus from one of the most powerful demons in existence. Then again, impossible is kind of her specialty.
