Free Fall: A My Immortals Series Novella By Carolyn Jewel

Attorney Lys Fensic has spent her life controlling a psychic power that kills. Her ability to lock herself down falls apart when her ex, a mage, sends enslaved demons to kill her. In a psychic free fall, she turns to tough guy Telos Khunbish for help. But is he a mage as she's always suspected or is he something far more dangerous? Free Fall is set in the My Immortals series world where demons and magic-using humans called the magekind are not quite getting along. Most people have no idea they're living in what amounts to a magical war-zone. Free Fall is based on the short story Future Tense but is considerably expanded and includes scenes that were censored from the short story.
