## Qualitative Research Methods in Human Geography By Iain Hay

*Qualitative Research Methods in Human Geography* is a practical, in-depth guide to understanding and conducting qualitative research in human geography. Reflecting both established and modern methods, and written by some of the most authoritative voices in the discipline, the text teaches students how to plan, execute, interpret, and effectively communicate qualitative research. Organized into three parts (introducing, doing, and interpreting), the new third edition is a comprehensive, engaging resource for both students and new researchers in the field.
