**The Right Words at the Right Time Volume 2: Your Turn!** By Marlo Thomas, Bruce Kluger, Carl Robbins, David Tabatsky

In her remarkable follow-up to *The Right Words at the Right Time*, Marlo Thomas once

again taps into the human spirit, assembling a breathtaking collection of inspiring essays about the enduring power of words. From big cities to farm communities, from office cubicles to hospital wards, Thomas presents 101 new first-person stories that are at once universal and strikingly personal.

You'll meet a "Plain Jane" from Seattle, whose world was rocked by a passing remark made by her favorite musician backstage at a concert. You'll hear from the bereaved fiancé of a 9/11 victim, who found hope in a note pinned to a teddy bear left by a schoolgirl. And your heart will break for a prison inmate, who recalls the one piece of advice he still wishes he took. In each case, words had made all the difference.

As this astonishing anthology proves, the "right words" can be found anywhere -- the pages of a dusty, old songbook; the pulpit of a neighborhood church; the wreckage of Ground Zero; a hand-stitched sampler hanging on a wall; and a child's simple expression of love.

*The Right Words at the Right Time, Volume 2: Your Turn!* is a collection to be read and read again -- a volume that will be cherished by both fans of the original book and anyone who has ever been touched by the startling and life-affirming magic of words.

### Editorial Review

From Publishers Weekly

"That Girl" Thomas follows up her bestselling inspirational volume, which collected stories from luminaries describing times when well-chosen words impacted their lives, with this collection of personal essays from more than 90 "ordinary Americans," selected from thousands of submissions to a national contest. From the experience of a naval officer who comes to a major career decision in a Burger King to a woman's epiphany at a Zen Buddhist Monastery in Japan, these simple, touching stories highlight the moments when the right phrases or comments made a life-changing difference. Divided into thematic sections like "At a Crossroads," "Taking Chances," and "Letting Go," Thomas's new title may be a little Chicken Soup-esque, but this is no canned concentrate-this is genuine, home-cooked comfort food. Proceeds benefit St. Jude Children's Research Hospital.
