### Editorial Review

#### Review

The text accompanying the illustrations is of the highest standard and reflects the author's mastery of his subject...Recommend[ed].--Journal of Laryngology & Otology This text will be a very quick reference guide for many commonlyencountered otolaryngology entities, and will serve as a good introduction to our specialty. Head & Neck August 2011Superbly illustrated with high-quality photographs, this pocket volume serves as a useful introduction to ENT surgery for medical students, medical practitioners and casualty officers. It will undoubtedly stimulate an interest in the subject in all who read it. --Annals of the Royal College of Surgeons of England (from an earlier edition) . . . his thoughts on otolaryngology are based on clinical acumen, experience and common sense . . . the photographs and text make up an apposite, well-revised and up-to-date account of diagnostic techniques in ENT practice. --British Journal of Hospital Medicine (from an earlier edition)

#### From the Back Cover

Since its first publication in 1974, the Color Atlas of ENT Diagnosis has established itself as an essential overview of ENT, brilliantly illustrated with a wealth of high-quality color photographs. Now in its fourth edition at Thieme, the Flexibook has been updated to cover the latest developments in areas such as nasal endoscopy and digital hearing aids. The concise text is divided into five main sections - examination, ear, nose, pharynx and larynx, and head and neck. The focus is on examination and diagnosis of both common and atypical disorders, with brief details of medical and surgical treatment where appropriate. Turn to this Flexibook to profit from the author's expertise in ENT diagnosis.

#### About the Author

### Users Review

#### From reader reviews:

##### **Anthony Sierra:**

In this 21st century, people become competitive in each and every way. By being competitive at this point, people have do something to make these individuals survives, being in the middle of typically the crowded place and notice simply by surrounding. One thing that sometimes many people have underestimated that for a while is reading. That's why, by reading a e-book your ability to survive boost then having chance to stand than other is high. For yourself who want to start reading the book, we give you that Color Atlas of Ent Diagnosis book as starter and daily reading book. Why, because this book is greater than just a book.

##### **Perla Baxter:**

Information is provisions for people to get better life, information today can get by anyone in everywhere. The information can be a expertise or any news even a concern. What people must be consider whenever

those information which is inside the former life are challenging to find than now could be taking seriously which one is acceptable to believe or which one the actual resource are convinced. If you have the unstable resource then you have it as your main information there will be huge disadvantage for you. All of those possibilities will not happen in you if you take Color Atlas of Ent Diagnosis as the daily resource information.

**Gene Conley:**

People live in this new day time of lifestyle always try and must have the spare time or they will get large amount of stress from both day to day life and work. So , whenever we ask do people have time, we will say absolutely indeed. People is human not really a robot. Then we inquire again, what kind of activity are there when the spare time coming to anyone of course your answer will unlimited right. Then do you try this one, reading ebooks. It can be your alternative with spending your spare time, the book you have read is actually Color Atlas of Ent Diagnosis.

**Joel Padilla:**

Playing with family within a park, coming to see the water world or hanging out with friends is thing that usually you may have done when you have spare time, then why you don't try thing that really opposite from that. One particular activity that make you not experiencing tired but still relaxing, trilling like on roller coaster you are ride on and with addition info. Even you love Color Atlas of Ent Diagnosis, you are able to enjoy both. It is fine combination right, you still need to miss it? What kind of hangout type is it? Oh occur its mind hangout men. What? Still don't get it, oh come on its known as reading friends.
