Emperor: The Death of Kings (The Emperor Series) By Conn Iggulden

The acclaimed author of **Emperor: The Gates of Rome** returns to the extraordinary life of Julius Caesar in a new novel that takes us further down the path to glory . . . as Caesar comes into his own as a man, warrior, senator, husband, and leader.

In a sparsely settled region of North Africa, a band of disheveled soldiers turn their eyes toward one man among them: their leader, Julius Caesar. The soldiers are Roman legionaries. And their quarry is a band of pirates who dared to kidnap Julius Caesar for ransom. Now, as Caesar exacts his revenge and builds a legend far from Rome, his friend Marcus Brutus is fighting battles of another sort, rising to power in the wake of the assassination of a dictator. Once Brutus and Caesar were as close as brothers, devoted to the same ideals and attracted to the same forbidden women. Now they will be united again by a shock wave from the north, where a gladiator named Spartacus is building an army of seventy thousand slaves—to fight a cataclysmic battle against Rome itself.

Editorial Review

From Publishers Weekly

After what was in effect a preamble—*Emperor: The Gates of Rome* (2003)—Julius Caesar takes center stage in this second fast-moving, action-oriented installment in Iggulden's projected four-book retelling of the Roman emperor's saga. Julius, a rising young officer assigned to the Roman-controlled northern coast of Africa, distinguishes himself in a bloody raid on the fortress of Mytilene only to have his transport ship captured by pirates. He and the crew are thrown into the hold to rot while awaiting a ransom that will likely ruin his young family back in Rome. After the ransom arrives, Julius gathers his loyal men and marches along the coast, impressing the locals (pirate collaborators all) into military service. He makes good on his bloody promise to wipe out the pirates, then takes his forces to Greece, where, at long odds, he defeats old king Mithridates, who is leading an insurrection that threatens Roman rule in all of Greece. Julius returns to Rome victorious and rich—only to find that the corruption and thuglike violence at the heart of the Republic has come near to destroying those he holds dear, including his wife and small daughter. Those looking for depth of character may be disappointed that Julius Caesar is pictured as little more than a man gripped by driving ambition. Iggulden does a better job in weaving an intricate and compelling tapestry of Roman underling and slave life, with several well-developed minor characters whose craftiness, loyalty and heroics far overshadow those of their social betters.

From [Booklist](#)

The saga of Julius Caesar continues in this second volume of the author's projected four-volume fictional chronicle of the rise of the Roman emperor. The story picks up on the eve of battle. Caesar is poised to lead a military assault; it's been six months since he last saw combat, and he is getting a little antsy. The siege goes well, but, soon after, Caesar is kidnapped (he will later be ransomed and left to fend for himself on the continent of Africa). Meanwhile, far away in Rome, his friend Brutus is building his political empire. Soon the two men will be reunited, as a renegade threatens Rome—a renegade named Spartacus. This is delightfully entertaining historical fiction, a combination of scholarship and inventiveness that brings the historical figures vividly to life while educating us, gracefully and subtly, about Rome at the height of its powers. *David Pitt*

Review

"Delightfully entertaining...a combination of scholarship and inventiveness that brings the historical figures vividly to life while educating us, gracefully and subtly, about Rome at the height of its powers."—*Booklist*

"If you liked 'Gladiator', you'll love **Emperor: The Death of Kings**."—*The Times*, London

"What a find. A first-time author who writes—wonderfully! **Emperor: The Death of Kings** combines the fantasy of Harry Potter with the historical details of John Jakes. Books don't get better than this."—*Costa Rica Times*

"Iggulden excels at describing battle scenes both small-scale and epic."—*Seattle Times*

"Iggulden is a grand storyteller." —*USA Today*

Users Review

From reader reviews:

Pearlie Henry:

In this 21st millennium, people become competitive in every single way. By being competitive at this point, people have to do something to make these people survive, being in the middle of the particular crowded place and notice by means of surrounding. One thing that oftentimes many people have underestimated this for a while is reading.
