- With Tom's guidelines, pet paragraphs, and transition sentences, writing the SAT essay was a breeze. Before even receiving the topic, I already had general supporting evidence sure to fit any prompt and transition and topic sentences for every paragraph. By making the essay into a universal outline where you can mix and match supporting points, Tom has created an ingenious method for writing an excellent essay in a short period of time, without the stress of trying to figure out structural details! KW, high school student, California
- I'm a grade 11 student from India and have my SAT next month. While searching for tips on acing the SAT essay, I happened to stumble upon a 2 chapter sample of your book, How to Write a Killer SAT Essay in 25 Minutes or Less. Barely 2 pages through the first chapter, I found myself thinking, "Haha. This guy is a genius." By the time I reached the end, I was sold. BK, high school student, India
