### The Cambridge Companion to Australian Literature (Cambridge Companions to Literature) From Brand: Cambridge University Press

This book introduces in a lively and succinct way the major writers, literary movements, styles and genres that, at the beginning of a new century, are seen as constituting the field of Australian literature. The book consciously takes a perspective that sees literary works not as aesthetic objects created in isolation by unique individuals, but as cultural products influenced and constrained by the social, political and economic circumstances of their times. It will be an indispensable reference for both national and international readers. It covers Indigenous texts, colonial writing and reading, poetry, fiction and theater throughout two centuries, biography and autobiography, and literary criticism in Australia.

## **Editorial Review**

### **Review**

"This specialized coverage may find a place primarily in collections strong in Australian writing, but any such collection will find the Cambridge Companion to Australian Literature to be an invaluable compendium blending Australian poetry, fiction, biography, and drama from the last two centuries...Essential college-level reading for any serious and dedicated course in Australian literature." Library Bookwatch

## **Users Review**

### **From reader reviews:**

#### **Donovan Pena:**

Do you have favorite book? In case you have, what is your favorite's book? E-book is very important thing for us to find out everything in the world.
