**The Magician (The Secrets of the Immortal Nicholas Flamel) By Michael Scott**

**Nicholas Flamel appeared in J.K. Rowling's Harry Potter—but did you know he really lived? And he might still be alive today! Discover the truth in Michael Scott's *New York Times* bestselling series the Secrets of the Immortal Nicholas Flamel in *The Magician*, book two.**

After fleeing Ojai, Nicholas, Sophie, Josh, and Scatty emerge in Paris, the City of Lights. Home for Nicholas Flamel. Only this homecoming is anything but sweet. Perenell is still locked up back in Alcatraz and Paris is teeming with enemies. Nicollo Machiavelli, immortal author and celebrated art collector, is working for Dee. He's after them, and time is running out for Nicholas and Perenell. For every day spent without the Book of Abraham the Mage, they age one year—their magic becoming weaker and their bodies more frail. For Flamel, the Prophesy is becoming more and more clear.

It's time for Sophie to learn the second elemental magic: Fire Magic. And there's only one man who can teach it to her: Flamel's old student, the Comte de Saint-Germain—alchemist, magician, and rock star. Josh and Sophie Newman are the world's only hope—if they don't turn on each other first.

**“Readers will be swept up by a plot that moves smartly along, leaving a wide trail of destruction and well-timed revelations.”—Kirkus Reviews, Starred**

**Read the whole series!**

*The Alchemyst*

*The Magician*

*The Sorceress*

### Editorial Review

#### From School Library Journal

Grade 6–9—Flamel and company return in this fast-paced follow-up to *The Alchemyst* (Delacorte, 2007). The immortal human Nicholas Flamel; Scathach, the veggie vampire warrior; and the mortal twins of legend, Josh and Sophie, are still on the run from the malicious Dr. John Dee. Flamel retains two of the pages of the legendary Book of Abraham, and Dee will do anything to get them. After hopping a ley line to Paris, our heroes barely escape the machinations of Dee's partner in crime, Niccolò Machiavelli. While finding shelter with fellow immortals (Joan of Arc turns out to be a particularly helpful ally), Josh attempts to deal with the fact that his twin sister is now incredibly powerful. Having had her powers "awakened," Sophie's new abilities make him surprisingly jealous—a fact that Dee may find useful. Scott tapers down the sheer breadth of gods, goddesses, legends, and myths already introduced in his first novel, which is a bit of a relief. Even though the plot moves forward at breakneck speed, the author is careful not to lose sight of his characters' struggles or inner demons. Fans of the previous novel will certainly find much to love, root for, and fear in this successful second installment.—Elizabeth Bird, *New York Public Library*

#### From Booklist

*The Alchemyst* (2007), the first book in The Secrets of the Immortal Nicholas Flamel series, introduced a wide-ranging group of historical figures who have achieved immortality and are engaged in a present-day struggle for the fate of the world. This second entry picks up exactly where the first left off. Allied with the legendary Nicholas Flamel on the “good” side are teenage twins Sophie and Josh, who are supremely gifted but with powers that are untrained. Countering them is a new archvillain, Niccolò Machiavelli, who, along with other figures from history and legend (Joan of Arc, a trio of Valkyries), swells the already impressive cast. Plundering every imaginable culture of their heroes and heroines is a clever feat, sure to draw all manner of historically and mythologically minded readers. One weakness starts to show through, however. In a six-book series such as this, each installment begins to feel like a lengthy, glorified chapter rather than its own book complete with a satisfying story arc and resolution. That said, this keeps the pace as an exciting and impeccably thought-out fantasy, well suited for those left in the lurch by Harry Potter’s recent exit. Grades 7-10. --Ian Chipman

#### Review

#### Praise for The Secrets of the Immortal Nicholas Flamel series:

**A New York Times Bestseller**
