**The Rivers of Zadaa (Pendragon)** By D.J. MacHale

### THE BATTLE CONTINUES.

The struggle of good versus evil continues as Bobby Pendragon follows Saint Dane to the territory of Zadaa. Saint Dane's influence has fueled the fire of discontent between two warring tribes: the Rokador and the Batu. This is also the territory where the Traveler Loor lives as a member of the Batu. Together she and Bobby must work to thwart Saint Dane's efforts to destroy Zadaa.

But as Bobby pursues Saint Dane, he begins to notice changes in himself. He is no longer a flip kid looking for excitement. He is a young man beginning to see this quest as more than a series of adventures. He is also learning that as a Traveler, he had powers no normal human should have.

## **Editorial Review**

From School Library Journal

Grade 5-8 -Bobby Pendragon plunges once more into his fast-moving, rip-roaring, and basically pointless story in this sixth volume in the series. Here he and his ally, the beautiful, athletic teen-warrior Loor, team up to save Loor's home world of Zadaa from the despicable shape-changing demon Saint Dane. The villain has hatched a plot to cut off all the water from Loor's people, instigating a civil war between the thirsty Batu and the underground Rokador, with whom the Batu have until now kept an uneasy truce. The plot is about as deep as a cookie sheet, and the characterizations are even shallower-except for Pendragon, who grows as a character when he decides that he must learn to fight, and he asks Loor to teach him. Meanwhile, Saint Dane also bedevils Bobby's friends Mark and Courtney back home in Stony Brook, CT. This series treads water throughout most of its volumes; when readers reach the end of this episode, they're only microscopically farther along in the story arc than when they began. Still, the action never stops for long, and *Zadaa* is sure to hold the interest of fans of the series.-*Walter Minkel, New York Public Library*
