Eye Scream By Henry Rollins

"Work on Eye Scream started in 1986. I was crossing America constantly and experiencing the morality shifts, attitudes, and rituals in different parts of the country - the difference in the way people were in the Bible Belt as opposed to New York City, the way blacks and whites interfaced, the intolerance of homosexuality, the morality plays. I started to become aware of how brutal the country is and how much ferocity, cruelty, and oppression are inherent in the culture and how much of it was in me. I wanted to document it and create a book that brought the whole thing to a boil and see where it left me off. In the summer of 1995, I finished the book and started to edit. Re-reading the manuscript over and over, I realized all the things I had picked up over a decade of playing Devil's advocate and it was inspiring because it clearly defined who my enemies are. As an American, I feel it impossible not to be infuriated by the way things are and have been. I refuse to be happy about the day-to-day and go along with it. There's too much spitting in my face and too much spitting in the faces of people who don't know any other way of life. This book is brutal, and at times, funny. I know that I will probably get a ton of shit for Eye Scream. Enjoy, or better yet... don't." ---- Henry Rollins

Editorial Review

Users Review

From reader reviews:

Samantha Flowers:

In this 21st century, people become competitive in each way. By being competitive right now, people have do something to make all of them survives, being in the middle of often the crowded place and notice simply by surrounding. One thing that occasionally many people have underestimated the item for a while is reading. Yep, by reading a guide your ability to survive enhance then having chance to stand than other is high. In your case who want to start reading any book, we give you this Eye Scream book as basic and daily reading book. Why, because this book is greater than just a book.

Gary Spengler:

As people who live in typically the modest era should be up-date about what going on or information even knowledge to make these keep up with the era which is always change and move ahead. Some of you maybe will update themselves by reading books. It is a good choice for you personally but the problems coming to an individual is you don't know which one you should start with. This Eye Scream is our recommendation to help you keep up with the world. Why, since this book serves what you want and want in this era.

Luis Morales:

Do you like reading a publication? Confuse to looking for your selected book? Or your book has been rare? Why so many question for the book? But almost any people feel that they enjoy intended for reading. Some people likes reading, not only science book but novel and Eye Scream or others sources were given understanding for you. After you know how the great a book, you feel would like to read more and more. Science reserve was created for teacher or students especially. Those publications are helping them to add their knowledge. In various other case, beside science book, any other book likes Eye Scream to make your spare time considerably more colorful. Many types of book like here.

Nancy Williams:

Reading a e-book make you to get more knowledge from it. You can take knowledge and information originating from a book. Book is published or printed or illustrated from each source which filled update of news. In this modern era like currently, many ways to get information are available for you. From media social including newspaper, magazines, science reserve, encyclopedia, reference book, story and comic. You can add your knowledge by that book. Do you want to spend your spare time to spread out your book? Or just trying to find the Eye Scream when you desired it?
