Majesty: Elizabeth II and the House of Windsor By Robert Lacey

A penetrating, readable biography of the first reigning Queen of England since Victoria, a favorite child of a proud nation to a strong, firmly intelligent monarch whose political savvy in crisis after crisis from the Suez crisis onward has imprinted her motto "reign, not rule" on 6 (at that time in 1977) successive governments. Lacey's biography is a brilliant portrayal of a royal family and their kingdom from the First World War, the "modern England" to present day.
