Rock Chick Reckoning (Volume 6) By Kristen Ashley

Stella Gunn is the lead singer and lead guitarist of the Blue Moon Gypsies, and Stella used to be Mace's girl. But Kai "Mace" Mason broke up with her and the loss of him rocked her world. One night, Stella gets a call, late (again), from one of the members of her crazy band. She has to go play clean up (again) and runs into Mace (and a shed load of police) and ends up getting shot. Mace finds he doesn't like it much that his ex-girlfriend got shot right in front of him, but it's worse. A very bad man has thrown down the gauntlet, and all the Rock Chicks are in the firing line. Stella doesn't want Mace to be the one to keep her alive, but she has no choice. Mainly because Mace isn't giving her one.

Editorial Review

About the Author

Kristen Ashley grew up in Indiana, but has lived in Colorado and the West Country of England. Thus she has been blessed to have friends and family around the globe. Her posse is loopy (to say the least), but loopy is good when you want to write. Kristen was raised in a house with a large and multi-generational family. They lived on a very small farm in a small town in the heartland and existed amongst the strains of Glenn Miller, The Everly Brothers, REO Speedwagon and Whitesnake (and the wardrobes that matched). Needless to say, growing up in a house full of music, clothes and love was a good way to grow up. And as she keeps growing up, it keeps getting better.
