“Kids are awesome. And they are diverse. There are children with different abilities and backgrounds and experiences, and every one of them deserves to find themselves in children's literature and to know that they matter.” –Ally Condie, on *Summerlost*

Sometimes it takes a new friend to bring you home. It's the first real summer since the accident that killed Cedar's father and younger brother, Ben. Cedar and what's left of her family are returning to the town of Iron Creek for the summer. They're just settling into their new house when a boy named Leo, dressed in costume, rides by on his bike. Intrigued, Cedar follows him to the renowned Summerlost theatre festival. Soon, she not only has a new friend in Leo and a job working concessions at the festival, she finds herself surrounded by mystery. The mystery of the tragic, too-short life of the Hollywood actress who haunts the halls of Summerlost. And the mystery of the strange gifts that keep appearing for Cedar.

Infused with emotion and rich with understanding, *Summerlost* is the touching new novel from Ally Condie, the international bestselling author of the *Matched* series that highlights the strength of family and personal resilience in the face of tragedy.

Editorial Review

From School Library Journal

Gr 5–8—A year after the accident that killed Cedar Lee's father and younger brother, her family still feels freshly broken. Her mother moves the remainder of the family out to her hometown of Iron Creek for the summer. Cedar's mom throws herself into fixing up their new house, leaving Cedar and her younger brother Miles to explore the area on their own. Cedar can't shake her grief, especially when small trinkets that remind her of her brother Ben start appearing on her windowsill. Then Cedar notices that a strangely dressed boy rides by her house on his bike at the same time every day. She follows the boy and winds up with a new friend and a job at the *Summerlost* theater festival. As she dives into an old town mystery with Leo, she feels her heart slowly start to heal. Condie focuses mainly on Cedar's healing. Miles and her mother are present, and their journey through grief is certainly evident, but more care is given to Cedar and the development of her new relationships through the theater program. Leo is a vibrant secondary character, as are some of the other charming folks Cedar meets throughout her stay in Iron Creek. Have this on hand for readers who enjoy a sweet, heartfelt story. VERDICT A first purchase for middle grade collections, particularly where realistic fiction and coming-of-age stories are in demand.—Carli Worthman, Carmel Middle School, Carmel, IN
