**The October Country** By Ray Bradbury

*“ . . . that country where it is always turning late in the year. That country where the hills are fog and the rivers are mist; where noons go quickly, dusks and twilights linger, and midnights stay . . . ”*

Explore the outer limits of the imagination with the GrandMaster of American Literature, Ray Bradbury, in a dark and disquieting descent into *The October Country*. Readers of *The Martian Chronicles* and *The Illustrated Man*, as well as fans of H. P. Lovecraft, Rod Serling, Bram Stoker, Stephen King, and writers of other classic horror stories, will be captivated by *The October Country*'s nineteen astonishing tales. From drowned cities to frantic carnivals to forgotten Mexican villages, Bradbury offers an unforgettable journey into mystery, shining brief lights upon the darkest corners of the soul.

### Editorial Review

#### From the Back Cover

*The October Country* is many places: a picturesque Mexican village where death is a tourist attraction; a city beneath the city where drowned lovers are silently reunited; a carnival midway where a tiny man's most cherished fantasy can be fulfilled night after night.

Each of the stories in Ray Bradbury's masterful collection is a wonder, imagined by an acclaimed tale-teller writing from a place of shadows. But there is astonishing beauty here as well, born from a prose that enchants and entralls, that chills like a long-after-midnight wind, that lifts the reader high above a sleeping Earth on strange wings. In *The October Country*, there is no escaping the dark stranger who lives upstairs . . . or the reaper who wields the world.

#### About the Author

In a career spanning more than seventy years, Ray Bradbury, who died on June 5, 2011 at the age of 91, inspired generations of readers to dream, think, and create. A prolific author of hundreds of short stories and close to fifty books, as well as numerous poems, essays, operas, plays, teleplays, and screenplays, Bradbury was one of the most celebrated writers of our time. His groundbreaking works include *Fahrenheit 451*, *The Martian Chronicles*, *The Illustrated Man*, *Dandelion Wine*, and *Something Wicked This Way Comes*. He wrote the screen play for John Huston's classic film adaptation of *Moby Dick*, and was nominated for an Academy Award. He adapted sixty-five of his stories for television's *The Ray Bradbury Theater*, and won an Emmy for his teleplay of *The Halloween Tree*. He was the recipient of the 2000 National Book Foundation Medal for Distinguished Contribution to American Letters, the 2004 National Medal of Arts, and the 2007 Pulitzer Prize Special Citation, among many honors.

Throughout his life, Bradbury liked to recount the story of meeting a carnival magician, Mr. Electrico, in 1932. At the end of his performance Electrico reached out to the twelve-year-old Bradbury, touched the boy with his sword, and commanded, "Live forever!" Bradbury later said, "I decided that was the greatest idea I had ever heard. I started writing every day. I never stopped."

### Users Review

#### From reader reviews:

##### Michelle Curry:

Book will be written, printed, or created for everything. You can realize everything you want by a reserve. Book has a different type. We all know that that book is important factor to bring us around the world. Close to that you can your reading talent was fluently. A e-book The October Country will make you to become smarter.
