## The Photographer's Guide to Yosemite By Michael Frye

Here is a comprehensive handbook designed to help all photographers — from beginners to experts — capture the landscape, flora, and fauna of one of the best places on earth. These tips and directions from Yosemite local Michael Frye are an indispensable resource for anyone who wants to take better pictures in Yosemite and elsewhere. Last updated over a decade ago, The Photographer's Guide to Yosemite has been revised to include advice especially for digital photography, and includes new full-color reproductions of Frye's own work to serve as examples and inspiration. Every aspect of photographing this magnificent park is covered, including:

- In-depth descriptions of nearly 40 outstanding locations
- Information on the best months and times of day for successful shots
- Detailed maps indicating prime viewpoints
- Tips on technique and equipment
- More than 100 stunning full-color photographs

He lived in Yosemite National Park for many years and maintains Michael Frye Photography studio in nearby Mariposa.

### Users Review

#### From reader reviews:

##### **Teddy Hathorn:**

As people who live in typically the modest era should be upgrade about what is going on or information even knowledge to make these keep up with the era and that is always change and progress. Some of you maybe can update themselves by reading books. It is a good choice in your case but the problems coming to a person is you don't know what type you should start with. This The Photographer's Guide to Yosemite is our recommendation to help you keep up with the world. Why, since this book serves what you want and want in this era.

##### **Teresita Donahue:**

Reading a guide can be one of a lot of action that everyone in the world adores. Do you like reading books thus. There are a lot of reasons why people enjoy it. First reading a reserve will give you a lot of new info. When you read a reserve you will get new information simply because book is one of many ways to share the information or perhaps their idea. Second, reading a book will make you actually more imaginative. When you look at a book especially a hype book the author will bring that you imagine the story how the figures do it anything. Third, you could share your knowledge to some others. When you read this The Photographer's Guide to Yosemite, you can tell your family, friends and also soon about your publication. Your knowledge can inspire others, make them reading a publication.

##### **Dennis Lewis:**

Playing with family in the park, coming to see the coastal world or hanging out with good friends is something that usually you could have done when you have spare time, in that case why you don't try something that is really opposite from that. Just one activity that makes you not feel tired but still relaxing, thrilling like on a roller coaster you are ride on and with addition of knowledge. Even you love The Photographer's Guide to Yosemite, it is possible to enjoy both. It is a great combination right, you still need to miss it? What kind of hang-out type is it? Oh can occur in its mind hangout people. What? Still don't obtain it, oh come on it's called reading friends.

**Rhonda Lanham:**

Don't be worry when you are afraid that this book will filled the space in your house, you might have it in e-book technique, more simple and reachable. That The Photographer's Guide to Yosemite can give you a lot of friends because by you considering this one book you have thing that they don't and make an individual more like an interesting person. That book can be one of one step for you to get success. This guide offer you information that might be your friend doesn't know, by knowing more than various other make you to be great folks. So , why hesitate? We need to have The Photographer's Guide to Yosemite.
