### A Match Made in Royal Heaven?

Maggie Collins had come to the exotic desert kingdom of El Deharia to restore Prince Qadir's antique car—not to get married. The no-frills mechanic had been burned by love before, and marriage—even to a seductive sheik—didn't stop her agenda. But then Qadir made her an offer she *should* have refused.

It was meant to be a temporary engagement—until Maggie discovered she was pregnant. Now Qadir was honor-bound to give Maggie and her child the protection of his name. He never expected her to sweep him off his feet.

Would there be a royal wedding after all?
