

The Tasks and Content of the Steiner-Waldorf Curriculum

From imusti

The Tasks and Content of the Steiner-Waldorf Curriculum From imusti

This book is a comprehensive overview of what is taught in Steiner-Waldorf schools, and why. As well as describing the content and methods of the Waldorf curriculum, this book provides a clear overview of the ideas behind the approach. It includes:

- a summary of the ideas underpinning this unique form of education
- a survey of child development in relation to the curriculum
- a description of key elements in the Waldorf approach
- sections on evaluation and assessment
- self-management
- early-years education
- a horizontal curriculum for Classes 1 to 12
- a vertical curriculum for each subject

This handbook is indispensable for all Waldorf schools and teachers.

Previously published as *The Educational Tasks and Content of the Steiner Waldorf Curriculum* (Steiner Waldorf Schools Fellowship).

Editorial Review

Review

'[An] impressively accessible and imposing book... Part 1 can be read as a very useful general introduction to the Steiner Waldorf approach, whilst the remainder of the book is more of a handbook rather than a cover-to-cover read - but it is no less useful or engaging for that. The book will serve as a very useful resource for parents as well as for teachers... It is difficult to imagine a more comprehensive contemporary overview of Steiner Waldorf education than this... This is surely one book that the contemporary Steiner teacher, of whatever age group or level of experience, will find it essential to have on her or his book shelf.' -- Richard House, New View

From the Inside Flap

A comprehensive overview of what is taught in Steiner-Waldorf schools, and why.

This handbook is indispensable for all Steiner-Waldorf schools and teachers

Also provides a clear overview of the ideas behind the Steiner-Waldorf educational approach

Previously published as The Educational Tasks and Content of the Steiner Waldorf Curriculum

About the Author

Martyn Rawson was a class teacher in York (UK) and has taught English, art history, and anthropology in Germany. His is involved in teacher training and in promoting Waldorf education wherever possible.

Kevin Avison has been a teacher in both public and Steiner/Waldorf schools and is an executive officer of the Steiner Waldorf Schools Fellowship. He has two grown children, both of whom received a Waldorf education. He lives in Stourbridge, England.

Users Review
