**Vampire World** By Rich Douglas

\*\*\*Imagine suddenly waking up in a strange new world with no memory at all, facing the stark reality that you've been turned into a vampire.....\*\*\*

Marissa Sanders, a popular seventeen year old high school student, is bitten by a vampire on Earth during a steamy night of making out with her boyfriend. After the bite, she wakes up in a cruel orphanage in an eerie land, having no memory of her past. But the one she does have is fangs, along with pale skin and a keen desire for blood. Luckily Marissa, who's named Janice in Vampire World, escapes the horrible orphanage thanks to Mr. John FreeCut, an old, benevolent vampire who adopts Janice because he wants to foster children he could never have.

Beautiful and innocent and thrust into a brand new world she has no memory of, Janice must face many challenges. From the grueling blood hostess job to defending herself against multiple stalkers and creepers who are hungry for her and her blood, along with the dizzying **fireball** competition and the simple fact that she doesn't look or act like a vampire, Janice almost goes crazy.

Most importantly, how will Janice discover the awful truth that she was savagely bitten and kidnapped by a group of vampires who call themselves **TriFang**?

And why can't she remember anything about her past? **If you really want to know, the answer lies in Vampire World, book one of an exciting series!**
