Editorial Review

From School Library Journal

Gr 4 Up—As a child, Rosa was a huge fan of the comic book series "Uncle Scrooge," featuring Disney's Donald Duck and Scrooge McDuck, and aspired to one day write and draw for the series like his hero, comic legend Carl Barks. After a decade-long lull in the comics, Rosa finally got his chance to write for the series and created several Scrooge and Donald Duck adventures from 1987 to 2005. Staying true to Barks's original characters and vision while adding his own artistic style, Rosa not only meets the expectations created by Barks but at times exceeds them. These two volumes are filled with epic adventures, like hunting for buried treasure or recovering stolen money, and kid-friendly humor and hilarious situations. Overall, the creator's work has aged well, and newer audiences will have no problem immersing themselves in these stories. At the end of each volume are whole pages of reference notes, explaining each comic in depth and addressing Rosa's process and nods to previous works. These notes show just how passionate he was about his work and the series as a whole. With the resurgence of popularity in retro comics such as "Tintin" and "Asterix," these entries make for a solid addition to comics and graphic novel collections.—Peter Blenski, Greenfield Public Library, WI

Review

“...[I]t looks great, and the new volumes of the Rosa library should prove perfect companion volumes for those in the Barks library, particularly for readers who find their appetites for these types of duck tales whetted by the Barks books. ...Rosa's Duck comics? They're great ones.” (J. Caleb Mozzocco - School Library Journal)

“The work itself remains essential: More than 'just' a Barks homage, Rosa carried the Good Duck Artist's legacy into legitimately new territory, exposing and massaging the pathos and wicked humor at the core of every good nostalgic exercise.” (Tim O'Neil - The A.V. Club)

“In this first volume, it collects for the first time ever Rosa's first *Uncle Scrooge* comics in chronological order, and man are they pretty.” (Cameron Hatheway - Bleeding Cool)

“...Rosa is so sincere in his desire to revive Barks's style of adventure and humor it shows in every panel, every detail of his work. He's taking this seriously, folks, and its all there. ... Good stuff, sez I.” (Jerry Beck - Cartoon Research)

“This series promises to be one of the best ever collections of a single creator's work, a self-aware treatise and the ultimate in historical detail. ... It's a joy to know that a series like this exists and that I'll be able to own it all in the coming years.” (Augie de Blieck Jr. - Comic Book Resources)

“I love [Don Rosa's] body of work. I've bought it multiple times. I'll be happily buying it again when Fantagraphics reprints it this fall. Love, love, love.” (Augie de Blieck Jr. - Comic Book Resources)

“On the short list of comic book creators responsible for genuine masterpieces of the medium, Don Rosa's name is pretty darn close to the top. ... In his time on the Ducks, Rosa was responsible for over 80 stories that include some of the best comics of all time...” (Chris Sims - ComicsAlliance)

“In the handsome reprints of *Uncle Scrooge and Donald Duck: The Don Rosa Library*, ...cartooning

journeyman genius Rosa displays his penchant for turning out issue after issue of globetrotting adventures... The work is more than deserving of a collection centered on the work of a funnybooks auteur..." (Aaron Ragan-Fore - Eugene Weekly)

"Rosa's comics may be the best comics ever done in the voice of another creator. They're very funny, satisfying yarns, and this presentation -- particularly the color -- is super-handsome. This would have been my favorite book ever at eight years old, and I'm fond of it now." (Tom Spurgeon - The Comics Reporter)
