### **Editorial Review**

#### About the Author

**Becky Lamb** is a builder, junker, repurposer, blogger, crafter, teacher, wife, and mother of three. She likes to say she was weaned on decoupage glue and feels blessed to be raised by a mom who decorated their home on a very limited budget. Becky has been crafting and creating as long as she can remember and discovered her love for building after “retiring” in 2000 from teaching elementary school. Her husband patiently taught her to use power tools and she has continued to hone and develop her skills and style. When not building, Becky enjoys spending time outdoors with her family in her home state, Montana.
