*This second chance at love could get them both killed.*

Fifteen years ago, denied the only woman he ever wanted as a mate, Remington Aldrich packed his few belongings and left home without a backward glance. Now the pack leader who ripped his world apart is on the other end of the phone, asking for his help.

Angela Martin, Remy's first love, is missing and the trail has gone cold. She may have refused to defy the alpha and run away with him all those years ago, but Remy can't stop himself from coming to her rescue.

Abducted by two men—one for his ghastly scientific experiments, and the other for his driving need for revenge against all Lycans—Angela despairs that no one will find her. Then she senses Remy nearby.

Together again and on the run from a killer bent on hunting them down, Remy vows to never again let Angela out of his arms. But first they have to survive—and fight against history's tendency to repeat itself...

Warning: Hot shape shifters, mad scientists and vengeful hunters, and steamy alpha marking his mate may induce a massive adrenaline rush.
