Editorial ReviewAbout the Author

Kelly Cowan just celebrated her 20th anniversary at Miami University Middletown, an open admissions campus in Ohio. She received her Ph.D. at the University of Louisville, and later worked at the University of Maryland and the University of Groningen in the Netherlands. She specializes in teaching microbiology to nonmajors, and especially to pre-nursing and allied health students. She herself fell in love with microbiology while pursuing an undergraduate degree in dental hygiene. She has made it her personal mission to hear nurses and dental hygienists she encounters in everyday situations exclaim, "I loved my microbiology class!"

Jennifer Bunn, RN, is a registered nurse, having spent most of her career in rural medicine, where she has had the opportunity to interact with patients of all ages. Her experience includes emergency medicine and critical care, pediatrics, acute care, long-term care, and labor and delivery. Currently, Jennifer works on an acute care unit. Over the span of her career, she has enjoyed mentoring and precepting LPN and RN students. Jennifer writes medical content for websites, apps, and blogs. Users Review
