Editorial Review

About the Author

Glenn Hubbard policymaker, professor, and researcher.

R. Glenn Hubbard is the Dean and Russell L. Carson Professor of Finance and Economics in the Graduate School of Business at Columbia University and Professor of Economics in Columbia's Faculty of Arts and Sciences. He is also a research associate of the National Bureau of Economic Research and a director of Automatic Data Processing, Black Rock Closed-End Funds, Dex Media, Duke Realty, KKR Financial Corporation, and Ripplewood Holdings. He received his Ph.D. in economics from Harvard University in 1983. From 2001—2003, he served as Chairman of the White House Council of Economic Advisers, and from 1991—1993, he was Deputy Assistant Secretary of the U.S. Treasury Department. Glenn Hubbard's fields of specialization are public economics, financial markets and institutions, corporate finance, macroeconomics, industrial organization, and public policy. He is the author of more than 90 articles in leading journals, including the *American Economic Review*, *Journal of Finance*, *Journal of Financial Economics*, *Journal of Political Economy*, *Journal of Public Economics*, *Quarterly Journal of Economics*, *RAND Journal of Economics*, and *Review of Economics and Statistics*. His research has been supported by grants from the National Science Foundation, the National Bureau of Economic Research, and numerous private foundations.

Tony O'Brien award-winning professor and researcher.

Anthony Patrick O'Brien is a professor of economics at Lehigh University. He received his Ph.D. from the University of California, Berkeley, in 1987. He has taught principles of economics for more than 15 years, in both large sections and small honors classes. He received the Lehigh University Award for Distinguished Teaching. He was formerly the director of the Diamond Center for Economic Education and was named a Dana Foundation Faculty Fellow and Lehigh Class of 1961 Professor of Economics. He has been a visiting professor at the University of California, Santa Barbara, and the Graduate School of Industrial Administration at Carnegie Mellon University. Anthony O'Brien's research has dealt with such issues as the evolution of the U.S. automobile industry, the sources of U.S. economic competitiveness, the development of U.S. trade policy, the causes of the Great Depression, and the causes of black—white income differences. His research has been published in leading journals, including the *American Economic Review*, the *Quarterly Journal of Economics*, the *Journal of Money, Credit, and Banking*, *Industrial Relations*, and the *Journal of Economic History*. His research has been supported by grants from government agencies and private foundations. In addition to teaching and writing, Anthony O'Brien also serves on the editorial board of the *Journal of Socio-economics*.

Users Review

From reader reviews:

Jennifer Perez:

Information is provisions for people to get better life, information currently can get by anyone at everywhere. The information can be a information or any news even a huge concern. What people must be consider if those information which is from the former life are difficult to be find than now is taking seriously which one works to believe or which one often the resource are convinced. If you have the unstable resource then you

buy it as your main information you will see huge disadvantage for you. All of those possibilities will not happen inside you if you take Microeconomics (3rd Edition) as the daily resource information.

Harold Cole:

In this era globalization it is important to someone to obtain information. The information will make professionals understand the condition of the world. The fitness of the world makes the information much easier to share. You can find a lot of referrals to get information example: internet, classifieds, book, and soon. You can see that now, a lot of publisher that print many kinds of book. The book that recommended to you personally is Microeconomics (3rd Edition) this publication consist a lot of the information with the condition of this world now. That book was represented just how can the world has grown up. The words styles that writer require to explain it is easy to understand. The particular writer made some analysis when he makes this book. That's why this book ideal all of you.

Mark Hart:

Don't be worry in case you are afraid that this book may filled the space in your house, you can have it in e-book technique, more simple and reachable. This particular Microeconomics (3rd Edition) can give you a lot of friends because by you investigating this one book you have thing that they don't and make a person more like an interesting person. This specific book can be one of one step for you to get success. This e-book offer you information that maybe your friend doesn't know, by knowing more than different make you to be great men and women. So , why hesitate? Let's have Microeconomics (3rd Edition).

Elijah McWhorter:

A number of people said that they feel bored when they reading a reserve. They are directly felt this when they get a half parts of the book. You can choose typically the book Microeconomics (3rd Edition) to make your own personal reading is interesting. Your personal skill of reading skill is developing when you including reading. Try to choose easy book to make you enjoy to learn it and mingle the impression about book and looking at especially. It is to be initial opinion for you to like to open up a book and study it. Beside that the publication Microeconomics (3rd Edition) can to be your new friend when you're really feel alone and confuse in what must you're doing of that time.
