### **Jude Deveraux**

captures the thrill of an American beauty's Highlands wedding, where a royal title is at stake -- and where love wins the day.

### ***The Duchess***

Claire Willoughby risked losing millions in her inheritance if, as decreed by her grandfather, she did not wed an "acceptable" man. Harry Montgomery, the eleventh Duke of MacArran, seemed perfect. He owned a historic castle, he looked manly in a kilt, and he was as much a titled Scotsman as Bonnie Prince Charlie himself.

Their engagement announced, Claire's future as a duchess was assured -- and she set off with her family to meet the Montgomery clan in Scotland. Bramley Castle was a damp, chill place, overbowing with eccentric relatives. But there was also Trevelyan, a secretive, brooding man who lived in Bramley's ancient halls.

Whoever he was, he wasn't at all like Harry: Trevelyan was the most exasperating, arrogant, know-it-all of a man Claire had ever met. And the most fascinating...

### Editorial Review

#### From Publishers Weekly

Mutual deception lies at the heart of this agreeable romp set in 1883 Scotland. American money (Claire Willoughby) is to snare a Scottish title (Harry, 11th duke of MacArran). But Claire's parents are bankrupt and spend Claire's dowry on their own lavish pleasures. Unknown to the Willoughbys, Harry's family is also penniless and counting on Claire's inheritance to upgrade their 12th-century estate, Bramley House. On a prenuptial visit, Claire meets an enigmatic rogue named simply Trevelyan. In fact, he is the true duke, Harry's older brother, and leads a spectacular double life as a Sir Richard Burton-esque explorer, Capt. Frank Baker. Recuperating from a debilitating illness, Trevelyan hides in a carefully concealed section of Bramley House. Claire, restless and inquisitive, stumbles through secret passageways and locates Trevelyan's exotic nook. Unaware that he is Harry's brother as well as the explorer whose books she has read with such eagerness, Claire strikes up what begins as a spirited friendship with Trevelyan. Soon Claire entertains second thoughts about Harry, who is far too devoted to his horses and to his mother, the sinister Duchess Eugenia. Written with a light touch and a quick wit, this latest offering by veteran romance novelist Deveraux ( Mountain Laurel ) contains numerous surprises in its final, exuberant chapters.

#### From Kirkus Reviews

More from the famed mistress of hearthrob (Mountain Laurel, 1990, etc.)--this time bogged down in 19th-century Scotland, where a host of silly, mostly unpleasant characters move sluggishly through a love story that never gets off the ground. Claire Willoughby, a big-bosomed American heiress, falls in love with mama's boy Harry Montgomery largely because he is blond and a titled duke. The dimwitted Harry wants Claire because she will inherit ten million dollars as soon as she weds a proper guy. Lusting for the dough--as well as the approval of his revolting mother, Eugenia--Harry whisks the buxom but bookish Claire, along with her childish parents and precocious sister ``Brat," to his Scottish castle, Bramley, where an odd bunch of family members roam in and out of dark passageways mumbling about horses and dogs. In this chilly atmosphere, Claire stumbles upon the cynical but sexy Trevelyan, who, she later learns, is her childhood hero, explorer Frank Baker, whose writings about the exotic and erotic have held her in a state of dire excitation all these years. Passion bubbles and festers, but there is so much mean-spirited jousting to and fro that by the time the two take the plunge no one cares. Finally, the highly emotional heiress grapples with a moral dilemma as it dawns on her that although she loves the lecherous Trevelyan, she must marry the boring Harry in order to secure her inheritance. The ever-so humdrum final twist reveals the real identity of Trevelyan/Baker, and leaves Harry right where he belongs--in the arms of the conniving little Brat. Fictional sludge. -- Copyright ©1991, Kirkus Associates, LP. All rights reserved.
