The Origins of Evil in Hindu Mythology (Hermeneutics: Studies in the History of Religions) By Wendy Doniger O'Flaherty

"While focusing on the central problem of evil, O'Flaherty illuminates every aspect of Hindu thought."

--*Choice*

"This is Dr. O'Flaherty's third book on Indian mythology, and the best yet. The range and number of myths handled is dazzling Moreover, her fluent and lucid style make reading a pleasure a major contribution to the study of religion in general and Hinduism in particular."

--*Times Literary Supplement*

"This scholarly work is a welcome and valuable addition to Hindu studies because it corrects the widespread belief that Hindu thought does not recognize the problem of evil. The author shows conclusively that the mythology of tribal societies and the Puranas deal with this question extensively. She traces certain conceptual attitudes towards evil from the Vedic period to the present day."

--*Library Journal*

"O'Flaherty has accomplished an important double task. She has reoriented our thinking on the Indian experience of evil as it has been given literary expression in the mythological texts of the Sanskrit tradition and to a lesser extent in the Tamil and tribal traditions as well. She has also provided, in this rich and exquisitely crafted book, a new set of vantage points from which to re-read familiar Indian myths and encounter new ones. . . *Origins* is both a superb piece of scholarship and a lively, witty and engagingly written book."

--*South Asia in Review*

"The author performs a brilliant feat in her textually exegetical and hermeneutical handling of the numerous and many-faceted myths. The study is highly pertinent and valuable . . . The authorial translations from the Hindu and Pali texts are refreshing . . . and her comments are illuminating. Thus the Hindu view of evil comes out as something not simplistic and arbitrary but as an approach which is

careful, complex, and richly eclectic. . . . This is a highly readable volume written with verve, sparkle and occasional light touches of decent humor."

--*Asian Student*

"For serious students of mythology, theology and Hinduism, this book is must reading."

--*Religious Studies Review*
