About the Author

Since the debut of his international bestseller *The Blue Day Book*, Bradley Trevor Greive has become a household name in more than 115 countries. A former Australian paratrooper, BTG left the army to pursue more creative misadventures. He has been bitten by wild monkeys and rabid bats and was accepted into Russia's cosmonaut training program--though those incidents were, by and large, unrelated. BTG spends most of his time in a tiny Tasmanian hamlet.
