Ria Lavender is the last woman in the world to be swept away by a smooth line and a seductive smile. A talented architect, she's just beginning to savor the fruits of her success when she meets a man who will change everything.

Mayor-Elect Taylor MacKensie is handsome, charming, and charismatic. Still, Ria never imagines that she'll leave a Christmas party with him, or that, caught up in the magic of a snowfall and a bottle of champagne, she'll give in to desire. Eight weeks later, Ria knows she's carrying Taylor's child.

To give their baby a name, Ria persuades Taylor to marry her—at least temporarily. But while Ria soon feels a surprising tenderness—and passion—for Taylor, she fears his prime concern is protecting his career. Ria vows to keep her distance from the man who holds the key to her heart...until life teaches them both a lesson in miracles—and love.

Editorial Review

Amazon.com Review

This paperback reissue of a short romance originally published in 1987, and offered in hardcover last year, is a pleasant, sexy read about an appealing couple who struggle to deal honorably with the consequences of one night of irresponsible passion. At a luxurious Christmas Eve party, successful, levelheaded architect Ria Lavender becomes dazzled by champagne, snow, and charming mayoral candidate Taylor MacKensie. Impulsively, they spend the night together. Two months later, realizing she's pregnant, Ria demands that Taylor legitimize the impending birth by marrying her. But what she intends will be a marriage in name only escalates into much more as the two begin sharing a house and, inevitably, a bed. Then tragedy strikes, threatening their tenuous union and leading to some new realizations about love. *Tidings of Great Joy* is a classic short romance told with flair and enjoyable in any season. --*Ellen Edwards*
