Understanding Contemporary Germany By Stuart Parkes

This text is an introductory survey of German society focusing on the post-unification situation. It raises questions relating to German identity and adopts an integrated approach, considering society, culture, politics, economics and history. The stability and normality of the Federal Republic and its position in world affairs is assessed. The book aims to provide the background to contemporary Germany required for students of modern languages, or those courses containing an element of German studies.

Editorial Review

Review

'An excellent, concise analysis of the main features of the political, economic and cultural aspects of a changing Germany in a changing Europe.' – Dr Peter James, Newcastle-upon-Tyne

'Understanding Contemporary Germany is an informed, clearly structured, internally well articulated and extremely useful volume for the introduction of crucial history, social, political, cultural and economic aspects of contemporary Germany. It is well worth considering for any "German Studies" curriculum.' – Hans J. Rindisbacher, Popona College, USA.

'This timely book provides a comprehensive account of social, economic, political and intellectual developments in post-war Germany until early 1996. The book includes a useful chronical of political events and a glossary and will provide a reliable guide to the many undergraduates who will doubtless use it.' – Ian Wallace, University of Bath.

From the Back Cover

Understanding Contemporary Germany is a wide-ranging survey of Europe's largest and most powerful country. It examines political, economic and social aspects of post-unification Germany, as well as considering questions relating to German identity. More specifically, it discusses whether the new Germany is a stable democracy based on solid political and economic foundations. It assesses the extent to which the German people is at ease with itself following the traumas of the country's history. By looking at a wide range of topics and including a cultural dimension, Understanding Contemporary Germany seeks to widen debate on Germany in a way which will be useful to all who study or work in the fields of German or European studies. Its conclusion is that, in contrast to the widespread fears expressed both in the country and outside, the new Germany largely remains a stable and reliable partner in European and world affairs.

Users Review

From reader reviews:

Raymond Blalock:

The book Understanding Contemporary Germany make you feel enjoy for your spare time. You should use to make your capable much more increase. Book can to become your best friend when you getting pressure or having big problem using your subject. If you can make looking at a book Understanding Contemporary Germany being your habit, you can get a lot more advantages, like add your own capable, increase your knowledge about several or all subjects. You could know everything if you like open up and read a e-book Understanding Contemporary Germany. Kinds of book are several. It means that, science guide or encyclopedia or other folks. So , how do you think about this guide?

Ann Bland:

Reading a guide tends to be new life style with this era globalization. With studying you can get a lot of information that may give you benefit in your life. Together with book everyone in this world can certainly share their idea. Textbooks can also inspire a lot of people. Many author can inspire all their reader with their

story as well as their experience. Not only the storyline that share in the books. But also they write about the information about something that you need example. How to get the good score toefl, or how to teach your kids, there are many kinds of book that you can get now. The authors on this planet always try to improve their expertise in writing, they also doing some investigation before they write for their book. One of them is this Understanding Contemporary Germany.

Loren Hatmaker:

Don't be worry when you are afraid that this book will certainly filled the space in your house, you may have it in e-book means, more simple and reachable. This Understanding Contemporary Germany can give you a lot of friends because by you taking a look at this one book you have issue that they don't and make an individual more like an interesting person. That book can be one of a step for you to get success. This book offer you information that maybe your friend doesn't realize, by knowing more than other make you to be great individuals. So , why hesitate? We need to have Understanding Contemporary Germany.

Brenda Villa:

As a scholar exactly feel bored to reading. If their teacher requested them to go to the library or even make summary for some guide, they are complained. Just minor students that has reading's internal or real their hobby. They just do what the teacher want, like asked to the library. They go to there but nothing reading really. Any students feel that reading is not important, boring and also can't see colorful photos on there. Yeah, it is to become complicated. Book is very important for you personally. As we know that on this period of time, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. So , this Understanding Contemporary Germany can make you sense more interested to read.
