## Editorial Review

Amazon.com

Yet another astonishing example of the daring and intelligence of British television, *A Very British Coup* imagines what might have happened if, during the latter days of the cold war, a left-wing prime minister had launched reforms that seriously threatened the interests of the establishment--including the United States. While the initial barrage of political details may confuse American viewers, the complexity soon clears and this miniseries becomes a gripping, dazzling feast of government machinations, media deviousness, and internal power struggles--leading up to murder, blackmail, and extortion. *A Very British Coup* cunningly displays the tooth and claw of real politics, how personality and policy meld into action and subterfuge. Ray McAnally is fascinating as Prime Minister Harry Perkins, leading a fantastically skilled cast. This superb thriller is based on the book of the same name by Chris Mullin, a former reporter who became himself a member of British Parliament. --*Bret Fetzer*

Review

"The entire cast is superb. . . . McAnally is brilliant." -- *The New York*

"What a political thriller ought to be." -- *The Washington Post*

Review

...a brilliant concept that opened the way for my own novels -- Michael Dobbs Rattles along with speed and great credibility The Times A delicious fantasy... crisply written and the story belts along Observer A world of power struggle in Downing Street, Fleet Street, Whitehall and Washington New Statesman A very effective political thriller, which has you on the edge of your seat from start to finish Oxford Mail Compulsive reading City Limits A spiffing read... calculated to grip blue-rinsed Conservative ladies and make Socialist eyes pop People Chris Mullin's book is the first for some time that I have stayed awake to finish -- Ken Livingstone Labour Herald Entertaining to anyone interested in contemporary politics Glasgow Herald A curious Molotov cocktail Financial Times Entertaining propaganda Literary Review

## Users Review

**From reader reviews:**

**Jenny Dill:**

Information is provisions for anyone to get better life, information today can get by anyone in everywhere. The information can be a information or any news even a huge concern.
