### Pet Shop of Horrors, Vol. 1 By Matsuri Akino

Welcome to Chinatown! During your visit, be sure to stop by Count D's pet shop, where love and dreams are sold in the form of mythical creatures - but not without a catch. The buyer must adhere to a set of rules, which if broken, may result in death...or worse. Count D's shop features: Dream - young Angelica learns the tragic nature of breeding the rarest of birds - the Strelitzia; Despair - out-of-luck actor Robin Hendrix has always preferred the company of reptiles, so it's only natural that he would fall in love with a very special, and dangerous, one; Daughter -there is no love stronger than a mother's love for her daughter, but one mother is about to learn that love can be quite painful; and Dreizehn -they say that a dog is a man's best friend - but for the recently blinded Karen, the bond with her new seeing-eye dog is even closer.
