**Seeker** By Arwen Elys Dayton

“Katniss and Tris would approve.” —TeenVogue.com

“This book will not disappoint.” —USA Today.com

“Fans of Veronica Roth’s *Divergent*, Marie Lu’s *Legend*, and Suzanne Collins’s *The Hunger Games* series: your next obsession has arrived.” —SLJ

**A genre-bending sci-fi/fantasy about a group of teens who are trained to kill and marked to die.**

The night Quin Kincaid takes her Oath, she will become what she has trained to be her entire life. She will become a Seeker. This is her legacy, and it is an honor.

As a Seeker, Quin will fight beside her two closest companions, Shinobu and John, to protect the weak and the wronged. Together they will stand for light in a shadowy world. And she’ll be with the boy she loves—who’s also her best friend.

But the night Quin takes her Oath, everything changes. Being a Seeker is not what she thought. Her family is not what she thought. Even the boy she loves is not who she thought. And now it’s too late to walk away.

**More praise for *Seeker*, book one in the *Seeker* series:**

“[A] genre-blending sci-fi, fantasy...[with] **action-packed** scenes.” —Booklist

“In this **powerful beginning to a complex family saga** . . . Dayton excels at creating memorable characters.” —Publishers Weekly

“Secrets, danger, and romance meet in this **unforgettable epic fantasy**.” —Kami Garcia, #1 *New York Times* bestselling coauthor of *Beautiful Creatures* and author of *Unbreakable*

“**A tightly woven, action-packed story** of survival and adventure, *Seeker* is perfect for fans of *Game of Thrones*.” —Tahereh Mafi, author of the *New York Times* bestselling *Shatter Me* series

### Editorial Review

From School Library Journal

Gr 8 Up—A life of honor, using her training for the good of humankind—that's what Quin Kincaid has been promised. Under the watchful eye of her father she has learned to use the tools of the Seeker: the "whipsword" with its deadly ability to assume the form of any weapon, and the "athame," a stone dagger that can slice through the threads of time, space, and matter, transporting the user to almost any destination. But upon taking her oath, she finds that her father's idea of the honorable work of a Seeker leads her to commit terrible acts. When a fiery siege is launched on their compound, Quin takes the opportunity to escape. Now she and her training partners, John and Shinobu, must come to terms with the dark deeds of their past, reclaim the honor of their families, and determine the true and proper duties of a Seeker. This novel combines all of the modern components for a successful young adult novel: a heroine with a perfect mix of innocence and lethal force; a society that, while not quite dystopian, needs saving; a love interest who is dangerous and forbidden; and the promise of sequels-to-come. Dayton has created a complex and intriguing set of characters here. Fans of Veronica Roth's "Divergent" (HarperCollins), Marie Lu's "Legend" (Putnam), and Suzanne Collins's "The Hunger Games" (Scholastic) series: your next obsession has arrived.—Sara Saxton, Wasilla Public Library, Wasilla, AK
