The Heir (The Selection) By Kiera Cass

Kiera Cass's #1 *New York Times* bestselling Selection series has enchanted readers from the very first page. In this fourth romantic novel, follow Illéa's royal family into a whole new Selection—and find out what happens after happily ever after.

Twenty years ago, America Singer entered the Selection and won Prince Maxon's heart. Now the time has come for Princess Eadlyn to hold a Selection of her own. Eadlyn doesn't expect anything like her parents' fairy-tale love story...but as the competition begins, she may discover that finding her own happily ever after isn't as impossible as she's always thought.

A new generation of swoon-worthy characters and captivating romance awaits in the fourth book of the Selection series!

Editorial Review

From School Library Journal

Gr 9 Up—Cass draws us back into the world of "The Selection" (HarperCollins) with this latest series installment. Taking place 20 years after *The One* (2014), this entry focuses on the lives of Queen America and King Maxon's four children, specifically Princess Eadlyn, who is the heir to the throne. The castes have officially been dissolved, but not without recurring issue, including riots among the people of Ilea. To distract the country and buy time for King Maxon and Queen America to formulate a plan to stop the riots, it's decided that another Selection will take place. Princess Eadlyn is initially not fond of the idea because she is not ready to get married; however she respects her parents' wishes, and wants to do right by her people. She has two caveats: a three-month commitment and an understanding that she may not find a husband in the end. Fans will simultaneously root for and despise Eadlyn. She is powerful, bossy, and vulnerable. While life looks perfect from the outside, readers learn that things are not what they seem. Physical fights break out among the Selected, and secrets are kept only to be revealed at the very end. The cliff-hanger conclusion sets the stage for future volumes. At times the work feels like a retelling of the first book, but with a different cast of characters. However, readers will enjoy seeing the courtship rituals through the eyes of Eadlyn, her date mishaps, and how things have evolved over two decades. VERDICT A great addition for collections that have a high demand for "The Selection" series.—Erin Holt, Williamson County Public Library, Franklin, TN

Review

PRAISE FOR KIERA CASS: "A real page-turner. Romance, royalty, and revolution in a reality-show format serve Cass' boldly rendered heroine well in her quest for justice and love." (ALA Booklist)

"Reality T.V. meets dystopian fairy tale in Kiera Cass's delightful debut. Charming, captivating, and filled with just the right amount of swoon!" (Kiersten White, New York Times bestselling author of *Paranormalcy*)

"An engrossing tale reminiscent of Shannon Hale's *Princess Academy* and Ally Condie's *Matched*. Fairy-tale lovers will lose themselves in America's alternate reality and wish that the next glamorous sequel were waiting for them." (School Library Journal)

"Deliciously entertaining." (Publishers Weekly)

"Cass's immensely readable debut novel is a less drastic Hunger Games, with elaborate fashion and trappings. The fast-paced action will have readers gasping for the upcoming sequel." (ALA Booklist)

"A cross between *The Hunger Games* (minus the bloodsport) and *The Bachelor* (minus the bloodsport), this trilogy launch is a lot of fun. Cass deftly builds the chemistry between America and Maxon, while stroking the embers of America's first, forbidden love." (Publishers Weekly)

From the Back Cover

Princess Eadlyn has grown up hearing endless stories about how her mother and father met. Twenty years ago, America Singer entered the Selection and won the heart of Prince Maxon—and they lived happily ever after. Eadlyn has always found their fairy-tale story romantic, but she has no interest in trying to repeat it. If it were up to her, she'd put off marriage for as long as possible.

But a princess's life is never entirely her own, and Eadlyn can't escape her very own Selection—no matter how fervently she protests.

Eadlyn doesn't expect *her* story to end in romance. But as the competition begins, one entry may just capture Eadlyn's heart, showing her all the possibilities that lie in front of her . . . and proving that finding her own happily ever after isn't as impossible as she's always thought.

Users Review

From reader reviews:

Troy Riley:

The book The Heir (The Selection) can give more knowledge and also the precise product information about everything you want. So just why must we leave a good thing like a book The Heir (The Selection)? Wide variety you have a different opinion about book. But one aim in which book can give many facts for us.
