The Oxford Book of Essays (Oxford Books of Prose & Verse) By John Gross

The essay is one of the richest of literary forms. Its most obvious characteristics are freedom, informality, and the personal touch--though it can also find room for poetry, satire, fantasy, and sustained argument.

All these qualities, and many others, are on display in *The Oxford Book of Essays*. The most wide-ranging collection of its kind to appear for many years, it includes 140 essays by 120 writers: classics, curiosities, meditations, diversions, old favorites, recent examples that deserve to be better known. A particularly welcome feature is the amount of space allotted to American essayists, from Benjamin Franklin to John Updike and beyond.

This is an anthology that opens with wise words about the nature of truth, and closes with a consideration of the novels of Judith Krantz. Some of the other topics discussed in its pages are anger, pleasure, Gandhi, Beau Brummell, wasps, party-going, gangsters, plumbbers, Beethoven, potato crisps, the importance of being the right size, and the demolition of Westminster Abbey. It contains some of the most eloquent writing in English, and some of the most entertaining.

Editorial Review

Review

A vast, wonderful company. Michael Foot, *The Observer*, From the thousands of essays and pieces available nobody would choose the same...but I doubt if anyone would have chosen better Frank Kermode, *Independent on Sunday* The selection has nothing in it that is not of the top class...John Gross has the shrewdest possible eye for what practitioners in the genre can do best with a sense of form and culture, of humour and balance...Every essay here is a pleasure to read. John Bayley, *Times Literary Supplement* John Gross's achievement is to see the essay as an essentially modern medium which addresses us as directly and potently as the newspaper. Barbara Everett, *The Independent*

About the Author

John Gross was a major editor and critic who worked for the *TLS*, the *New York Times*, and the *Sunday Telegraph* during his illustrious career.

Users Review

From reader reviews:

William Lee:

Now a day those who Living in the era everywhere everything reachable by talk with the internet and the resources inside can be true or not call for people to be aware of each information they get.
