Editorial Review

Review

'An excellent, stimulating account by an experienced art therapist of how and with what result this approach may be used in groups.' - *British Journal of Psychiatry*

'This second edition has a fund of information for practicing art therapists and others that is invaluable. Being theme based like the first, it provides greater resources for almost any situations concerning working with groups... A list of resources, a comprehensive bibliography and links with other art therapy organizations in other countries gives this book a universal appeal. Most practitioners will benefit from having a copy on their book shelf.' - *Kanta Walker, The Psychotherapist, Autumn 2004*

About the Author

Marian Liebmann has worked as a teacher, community worker, probation officer and art therapist. She has worked in art therapy with offenders, with women's groups and community groups, and currently at the Inner City Mental Health Service in Bristol. She teaches and lectures on art therapy at several universities in the UK and Ireland. She also works in mediation and conflict resolution, and has run Art and Conflict workshops in many countries.

Users Review
