### **The Claiming** By Kaitlyn O'Connor

Jana is well aware the passage code sent to her was meant for another. She's desperate to escape beyond Marty's reach, however, too desperate to worry overmuch about deceiving a man she's never met...until she meets him and discovers that Alain Camar is not a man one can deceive with impunity.

Rating: Spicy. Contains explicit sex.

Genre: Futuristic Romance.

Author Kaitlyn O'Connor was first published by Harlequin Enterprises in 1994 under the pen name of Madris Dupree after nearly a decade of 'apprenticeship' -- struggling to learn the business, the marketing, and the writing skills necessary for a career in commercial fiction. That 'first' published book, a historical, (which was actually her fourth attempt at a marketable piece of fiction) was successful, however, selling nearly 80,000 copies in the U.S., Switzerland, France, and the U.K. She writes various genres (or sub-genres since she always writes romance!) under different pen names. She has written science fiction/futuristic/fantasy under several—Kaitlyn O'Connor, in honor of her Scottish grandmother, Lyssa Hart, and Angelique Anjou (for the French ancestry), all combined here now under the single pen name Kaitlyn O'Connor.
