### Virgin Territory By Kenna White

Elise Grayson has it all. Money, looks, a comfortable home in an upscale Boston neighborhood and the social status her family has long enjoyed. She has everything she's ever wanted. Almost. Elise's private life is her one failure. So focused on building her professional life, Elise has left little time for anything else...including her girlfriend whose infidelity comes as a bolt out of the blue.

Jan Chase needs a new job and new surroundings—a place where no one will ask questions or judge her ability. Driving a limousine for Boston's privileged elite seems like the perfect answer. Being a chauffeur is something Jan is tailor-made for. At least until she meets Elise Grayson.

Now that their worlds have collided, it seems that neither of the two women is capable of stopping it. And who's to say that either of them really wants to?
