Editorial Review

Review

"This guide surveys careers in the interior design field, from residential to commercial, including corporate, hospitality, and entertainment specialties. This edition has been revised and updated to incorporate information on sustainable and global design, and design for seniors, with added profiles and examples of projects." (*Book News*, May 2009)

From the Inside Flap

The profession of interior design has received a lot of media attention in recent years, whether it's on the many "home makeover" shows or in the movies. The reality is, interior design in the twenty-first century is much more than selecting colors and arranging furniture. Today's interior designer is a multifaceted professional, with expertise in building and safety codes, project management, designing for seniors, sustainable design, and other important areas that require increased skill and training.

If you have a vision for creating the interior spaces of residential or commercial buildings, *Becoming an Interior Designer* is the first step to a successful career. More than a how-to book for finding a job, this helpful guide is a road map to the early stages of forming a lifelong career and finding your special niche in this burgeoning field.

This *Second Edition* of *Becoming an Interior Designer* will prepare you for entering and succeeding in the interior design field. It covers all aspects of getting into the industry, including updated information on the following:

- Licensing and certification
- The newest educational requirements, with a helpful list of accredited interior design programs in the United States and Canada
- Professional tips on portfolio preparation
- Discussion of work environments—from home office to large firms
- Advice for finding clients and boosting revenue
- Helpful guidance on managing a successful career
- Photos of projects by professional interior designers from all major design specialties

The author interviewed nearly 100 professionals in the field who share their personal insights to help you discover what the interior design profession is really like.

With everything you need to start your journey, *Becoming an Interior Designer, Second Edition* will be your launch pad for a long and successful career in interior design.

From the Back Cover

Here is the completely updated guide to today's interior design careers—a clear and concise survey of the interior design field covering:

History of the profession

Educational preparation

Interviews with designers

Certification and licensing

The design process

Where the jobs are

Owning your own firm

Design specialties

- Residential
- Commercial
- Sustainable design
- Corporate
- Hospitality
- Retail
- Healthcare
- Institutional
- Entertainment
- Restoration and adaptive use

"Becoming an Interior Designer is the go-to book for an inside look at the profession of interior design today. The advice from a broad range of practitioners and educators about the professional requirements and business of interior design make it an invaluable tool for those contemplating an interior design career. The added bonus is Christine's ability to draw out from her interviewees the common passion for improving quality of life, which is a rarely referenced quality of a successful interior designer."

—**Suzan Globus, FASID, LEED AP, 2007 ASID National President**

Users Review

From reader reviews:

Robert Marshall:

Do you have favorite book? For those who have, what is your favorite's book? Reserve is very important thing for us to know everything in the world. Each reserve has different aim as well as goal; it means that publication has different type. Some people truly feel enjoy to spend their a chance to read a book. They may be reading whatever they get because their hobby is actually reading a book. What about the person who don't like examining a book? Sometime, individual feel need book if they found difficult problem or maybe exercise. Well, probably you should have this *Becoming an Interior Designer: A Guide to Careers in Design*.

Lisa Mercado:

Why? Because this *Becoming an Interior Designer: A Guide to Careers in Design* is an unordinary book that the inside of the guide waiting for you to snap the item but latter it will shock you with the secret the idea inside. Reading this book adjacent to it was fantastic author who else write the book in such wonderful way

makes the content inside easier to understand, entertaining approach but still convey the meaning completely. So , it is good for you for not hesitating having this any longer or you going to regret it. This excellent book will give you a lot of advantages than the other book possess such as help improving your proficiency and your critical thinking technique. So , still want to hold off having that book? If I have been you I will go to the book store hurriedly.

Cherry Simard:

Does one one of the book lovers? If so, do you ever feeling doubt while you are in the book store? Try to pick one book that you find out the inside because don't ascertain book by its include may doesn't work the following is difficult job because you are frightened that the inside maybe not since fantastic as in the outside seem likes. Maybe you answer could be *Becoming an Interior Designer: A Guide to Careers in Design* why because the fantastic cover that make you consider about the content will not disappoint a person. The inside or content is actually fantastic as the outside or cover. Your reading sixth sense will directly guide you to pick up this book.

Iva Simmon:

Many people spending their period by playing outside together with friends, fun activity along with family or just watching TV all day every day. You can have new activity to shell out your whole day by reading a book. Ugh, you think reading a book really can hard because you have to use the book everywhere? It all right you can have the e-book, having everywhere you want in your Mobile phone. Like *Becoming an Interior Designer: A Guide to Careers in Design* which is having the e-book version. So , try out this book? Let's view.
