### Eden in Winter By Richard North Patterson

Number one *New York Times* best-selling author Richard North Patterson, author of more than twenty novels, including *Degree of Guilt* and *Silent Witness*, returns with the dramatic conclusion to the Blaine trilogy: *Eden in Winter*, the final volume that completes the story begun in *Fall from Grace* and *Loss of Innocence*.

Two months after the suspicious and much-publicized death of his father on the island of Martha's Vineyard, it is taking all of Adam Blaine's will to suture the deep wounds the tragedy has inflicted upon his family and himself.

As the court inquest into Benjamin Blaine's death casts suspicions on those closest to him, Adam struggles to protect them from those who still suspect that his father was murdered by one of his kin.

But the sternest test of all is Adam's proximity to Carla Pacelli--his late father's mistress; and a woman who, despite being pivotal to his family's plight, Adam finds himself increasingly drawn to. The closer he gets to this beautiful, mysterious woman, the further Adam feels from his troubles. Yet the closer he also comes to revealing the secrets he's strived to conceal, and condemning the people he's so hard fought to protect.

An acknowledged master of the courtroom thriller, Patterson's Blaine trilogy, a bold and surprising departure from his past novels, is a complex family drama pulsing with the tumult of the time and "dripping with summer diversions, youthful passion and ideals, class tensions, and familial disruptions." (*Library Journal*)

## Editorial Review

From [Booklist](#)

The conclusion of the Blaine family saga (Fall from Grace, 2012; Loss of Innocence, 2013) finds Adam Blaine trying to protect both his brother, Teddy, and his uncle, Jack, from accusations that one of them killed his father, revered novelist Ben Blaine. Readers of the previous two books will be well aware of all the family secrets and betrayals Adam is wrestling with, and Patterson sprinkles in flashbacks and references to help readers catch up or refresh their memories. In addition to the murder rap his loved ones are facing, Adam is also contending with his growing feelings for Ben's mistress, actress Carla Pacelli, who is carrying Ben's child. Because the answers to the mystery surrounding Ben's death have already been revealed, the novel is a slow burn until Adam, a CIA agent, gets dispatched on a harrowing rescue mission in Afghanistan, and Carla experiences some potentially serious complications with her pregnancy. Those who enjoyed the first two installments will definitely want to see how things wrap up for the Blaine family. --Kristine Huntley

### Review

"Eden in Winter provides a fitting conclusion to this intricate saga, one that holds the same dramatic tension of the first two books while continuing to demonstrate Patterson's firm grasp of all things legal." **Barbara Clark, *The Barnstable Patriot***

## Users Review

### From reader reviews:

#### Melvin Paul:

Why don't make it to be your habit? Right now, try to prepare your time to do the important behave, like looking for your favorite publication and reading a guide. Beside you can solve your problem; you can add your knowledge by the publication entitled Eden in Winter. Try to face the book Eden in Winter as your close friend. It means that it can to become your friend when you truly feel alone and beside that of course make you smarter than before. Yeah, it is very fortunated to suit your needs. The book makes you far more confidence because you can know almost everything by the book. So , we should make new experience in addition to knowledge with this book.

#### Daniel Guy:

What do you consider book? It is just for students because they are still students or the item for all people in the world, the actual best subject for that? Just simply you can be answered for that question above. Every person has various personality and hobby for every single other. Don't to be pushed someone or something

that they don't would like do that. You must know how great and important the book Eden in Winter. All type of book is it possible to see on many options. You can look for the internet resources or other social media.

### **David Boggs:**

Reading a reserve tends to be new life style with this era globalization. With looking at you can get a lot of information that could give you benefit in your life. Using book everyone in this world may share their idea. Ebooks can also inspire a lot of people. A great deal of author can inspire their particular reader with their story or perhaps their experience. Not only situation that share in the ebooks. But also they write about the data about something that you need case in point. How to get the good score toefl, or how to teach your young ones, there are many kinds of book that you can get now. The authors on earth always try to improve their ability in writing, they also doing some exploration before they write on their book. One of them is this Eden in Winter.

### **Margaret James:**

Playing with family in the park, coming to see the water world or hanging out with good friends is thing that usually you have done when you have spare time, after that why you don't try factor that really opposite from that. Just one activity that make you not sensation tired but still relaxing, trilling like on roller coaster you are ride on and with addition associated with. Even you love Eden in Winter, you can enjoy both. It is great combination right, you still desire to miss it? What kind of hang-out type is it? Oh seriously its mind hangout fellas. What? Still don't buy it, oh come on its referred to as reading friends.
