### Editorial Review

#### Review

"A stunning piece of work. If Fitzgerald could have wished for one reader of *The Great Gatsby*, it would have been Ronald Berman. Berman's criticism creates an ideal companion piece to the novel--as brilliantly illuminating about America as it is about fiction, and composed with as much thought and style." Roger Rosenblatt "An impressive study that brilliantly highlights the oneness of Fitzgerald's art with the overall context of modernism." Milton R. Stern, author of *The Golden Moment: The Novels of F. Scott Fitzgerald* "Citing films, dates, places, schedules, Broadway newsstands, and the spoils of manufacture, the author, never lapsing into critical jargon, locates the characters in 'the moving present.' *Gatsby*, the first of the great novels to emerge from B movies, uses the language of commodities, advertisements, photography, cinematography, and Horatio Alger to present models of identity for characters absorbed in and by what is communicated... Berman concludes that *Gatsby* 'reassembled' rather than 'invented' himself." A. Hirsh, *Choice*

##### Jesus Loveless:

As a student exactly feel bored to be able to reading. If their teacher expected them to go to the library or even make summary for some e-book, they are complained. Just very little students that has reading's heart and soul or real their leisure activity. They just do what the teacher want, like asked to go to the library. They go to generally there but nothing reading very seriously. Any students feel that reading through is not

important, boring along with can't see colorful images on there. Yeah, it is to be complicated. Book is very important to suit your needs. As we know that on this time, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. So , this Great Gatsby and Modern Times can make you really feel more interested to read.
