

## **Ted & Me (Baseball Card Adventures Book 11)**

*By Dan Gutman*

**Ted & Me (Baseball Card Adventures Book 11) By Dan Gutman**

With more than 1.5 million books sold, the Baseball Card Adventures series brings the greatest players in history to life!

Joe "Stosh" Stoshack has an incredible ability. He can travel through time using baseball cards. But the FBI has learned of his talent, and now they have a mission for him: go back to 1941 and warn President Roosevelt about the attack on Pearl Harbor!

Stosh is reluctant, until he finds out that his "ticket" to 1941 is a Ted Williams card. Williams was one of the greatest hitters of all time, even though he lost years of his career to serve in the Marines. How many more home runs would the Splendid Splinter have hit if he had those years back? What if Stosh can prevent the attack on Pearl Harbor and convince Williams not to serve in the military?

With black-and-white photographs and stats throughout, plus back matter separating fact from fiction, *Ted & Me* is the perfect mix of history and action for every young baseball fan.

### Editorial Review

#### Review

“Another winner in a series that effectively blends fast-paced storytelling with plenty of baseball lore.”  
(ALA Booklist Online)

#### From the Back Cover

Stosh should have figured that the FBI would find him eventually.

Now they've turned up on his doorstep—and they know all about his ability to travel through time using baseball cards. In fact, they want to send him back in time on a mission: to warn President Roosevelt about the attack on Pearl Harbor!

But when Stosh finds out that his “ticket” back to 1941 is a Ted Williams card, he starts planning a mission of his own. Williams is one of the greatest hitters of all time—even though he lost almost five years of his career to serve in the Marines. How many more home runs would the Splendid Splinter have hit if he had those years back? What if Stosh can prevent the attack on Pearl Harbor *and* convince Williams not to serve in the military?

Sometimes you can change history. Sometimes history can change you.

#### About the Author

Dan Gutman is the *New York Times* bestselling author of the Genius Files series. He is also the author of the Baseball Card Adventure series, which has sold more than 1.5 million copies around the world, and the My Weird School series, which has sold more than 10 million copies.
