Editorial Review

Review

“**THE ARTIST’S WAY** by Julia Cameron is not exclusively about writing—it is about discovering and developing the artist within whether a painter, poet, screenwriter or musician—but it is a *lot* about writing. If you have always wanted to pursue a creative dream, have always wanted to play and create with words or paints, this book will gently get you started and help you learn all kinds of paying-attention techniques; and that, after all, is what being an artist is all about. It’s about learning to pay attention.”

--Anne Lamott, *Mademoiselle*

“The premise of the book is that creativity and spirituality are the same thing, they come from the same place. And we were created to use this life to express our individuality, and that over the course of a lifetime that gets beaten out of us. [**THE ARTIST’S WAY**] helped me put aside my fear and not worry about whether the record would be commercial.”

--Grammy award-winning singer Kathy Mattea

“Julia Cameron brings creativity and spirituality together with the same kind of step-by-step wisdom that Edgar Cayce encouraged. The result is spiritual creativity as a consistent and nourishing part of daily life.”

--Venture Inward

“I never knew I was a visual artist until I read Julia Cameron’s **THE ARTIST’S WAY**.”

--Jannene Behl in *Artist’s Magazine*

“Julia Cameron’s landmark book **THE ARTIST’S WAY** helped me figure out who I really was as an adult, not so much as an artist but as a person. And award-winning journalist and poet, Cameron’s genius is that she doesn’t tell readers what they should do to achieve or who they should be—instead she creates a map for readers to start exploring these questions themselves.”

--Michael F. Melcher, *Law Practice magazine*

“This is not a self-help book in the normative sense. It is simply a powerful book that can challenge one to move into an entirely different state of personal expression and growth.”

--Nick Maddox, *Deland Beacon*

“**THE ARTIST’S WAY** (with its companion volume **THE ARTIST’S WAY MORNING PAGES JOURNAL**) becomes a friend over time, not just a journal. Like a journal, it provokes spontaneous insights and solutions; beyond journaling, it establishes a process that is interactive and dynamic.”

--Theresa L. Crenshaw, M.D., *San Diego Union-Tribune*

“If you really want to supercharge your writing, I recommend that you get a copy of Julia Cameron’s book **THE ARTIST’S WAY**. I’m not a big fan of self-help books, but this book has changed my life for the better and restored my previously lagging creativity.”

--Jeffrey Bairstow, *Laser Focus World*

“Working with the principle that creative expression is the natural direction of life, Cameron developed a three month program to recover creativity. **THE ARTIST’S WAY** shows how to tap into the higher power that connects human creativity and the creative energies of the universe.”

--Mike Gossie, Scottsdale Tribune

“**THE ARTIST’S WAY** is the seminal book on the subject of creativity and an invaluable guide to living the artistic life. Still as vital today—or perhaps even more so—than it was when it was first published in 1992, it is a provocative and inspiring work. Updated and expanded, it reframes **THE ARTIST’S WAY** for a new century.”

--Branches of Light

“**THE ARTIST’S WAY** has sold over 3 million copies since its publication in 1992. Cameron still teaches it because there is sustained demand for its thoughtful, spiritual approach to unblocking and nurturing creativity. It is, dare we say, timeless.”

--Nancy Colasurdo, FOXBusiness

Praise for VEIN OF GOLD, the second volume in the ARTIST’S WAY trilogy

“For those seeking the wellspring of creativity, this book, like its predecessor, is a solid gold diving rod.”

--PUBLISHERS WEEKLY

Users Review

From reader reviews:

Jan Doyle:

What do you ponder on book? It is just for students because they're still students or the idea for all people in the world, exactly what the best subject for that? Just simply you can be answered for that issue above. Every person has several personality and hobby for each and every other. Don't to be obligated someone or something that they don't want do that. You must know how great and also important the book *The Complete Artist's Way: Creativity as a Spiritual Practice*. All type of book could you see on many resources. You can look for the internet sources or other social media.

Solomon Pepper:

The book untitled *The Complete Artist's Way: Creativity as a Spiritual Practice* contain a lot of information on that. The writer explains her idea with easy method. The language is very easy to understand all the people, so do not worry, you can easy to read it. The book was published by famous author. The author gives you in the new period of time of literary works. It is possible to read this book because you can continue reading your smart phone, or model, so you can read the book with anywhere and anytime. In a situation you wish to purchase the e-book, you can available their official web-site and order it. Have a nice learn.

Brian Smith:

Is it you who having spare time in that case spend it whole day through watching television programs or just resting on the bed? Do you need something totally new? This *The Complete Artist's Way: Creativity as a Spiritual Practice* can be the answer, oh how comes? The new book you know. You are and so out of date,

spending your extra time by reading in this new era is common not a geek activity. So what these books have than the others?

Jessie Davis:

With this era which is the greater man or who has ability in doing something more are more precious than other. Do you want to become among it? It is just simple method to have that. What you should do is just spending your time very little but quite enough to have a look at some books. One of several books in the top checklist in your reading list is definitely *The Complete Artist's Way: Creativity as a Spiritual Practice*. This book which is qualified as *The Hungry Hills* can get you closer in growing to be precious person. By looking upward and review this publication you can get many advantages.
