99 Days By Katie Cotugno

From the acclaimed author of *How to Love* comes another stunning contemporary novel, perfect for fans of Sarah Dessen.

Molly Barlow is facing one long, hot summer—99 days—with the boy whose heart she broke and the boy she broke it for . . . his brother.

Day 1: Julia Donnelly eggs my house my first night back in Star Lake, and that's how I know everyone still remembers everything. She has every right to hate me, of course: I broke Patrick Donnelly's heart the night everything happened with his brother, Gabe. Now I'm serving out my summer like a jail sentence: *Just ninety-nine days till I can leave for college and be done.*

Day 4: A nasty note on my windshield makes it clear Julia isn't finished. I'm expecting a fight when someone taps me on the shoulder, but it's just Gabe, home from college and actually happy to see me. "For what it's worth, Molly Barlow," he says, "I'm really glad you're back."

Day 12: Gabe wouldn't quit till he got me to come to this party, and I'm surprised to find I'm actually having fun. I think he's about to kiss me—and that's when I see Patrick. *My* Patrick, who's supposed to be clear across the country. *My* Patrick, who's never going to forgive me.

Editorial Review

From School Library Journal

Gr 9 Up—Molly Barlow is back in her hometown near the Catskill Mountains. A year ago, Molly fled to a faraway boarding school in the wake of a disastrous betrayal that left her the most hated girl in town. Now that she's back, all of her fears are justified—the girls who used to be her friends want nothing to do with her, especially not the Donnelly siblings, who used to be her closest friends. The teen plans to lie low and wait out the rest of the summer until she can escape and start over in college. She is getting used to all the bullying, when the arrival of the two Donnelly boys turns her world upside-down. Patrick, Molly's first boyfriend, has a new girlfriend who doesn't seem to hate Molly despite her past transgressions. And Gabe is there for her when nobody else seems to care if she exists. When Gabe wants to spark up a romance, Molly starts to feel like she may be able to right some wrongs and put her past behind her. But things are never simple, and Molly finds herself dreading as well as clamoring for the 99 days of summer to be over. This coming-of-age story is dramatic and wickedly funny, and the protagonist's voice will speak to any teen facing an uncertain future. VERDICT This book will appeal to fans of E. Lockhart's *The Disreputable History of Frankie Landau Banks* (Hyperion, 2008), offering complex characters, plot twists, and an insightful look at society's double standards.—Tara Kron, School Library Journal

Review

“This book will appeal to fans of E. Lockhart’s *The Disreputable History of Frankie Landau Banks* (Hyperion, 2008), offering complex characters, plot twists, and an insightful look at society’s double standards.” (School Library Journal)

“A thought-provoking story...[that] explores the powerful bonds that arise between childhood friends who grow up to discover romance” (Publishers Weekly)

“Molly’s a totally engaging, multi-faceted character...A fascinating story of adolescent love and betrayal.” (Kirkus Reviews)

A complicated, compelling summer romance...and a whole lot of kissing make[s] this one to stick in the beach bag.” (Bulletin of the Center for Children’s Books)

Praise for HOW TO LOVE: “There are those novels, once in a spectacular blue moon, that just feel perfect. HOW TO LOVE is that book. Perfect.” (Carolyn Mackler, winner of the Printz Honor and bestselling author of *THE FUTURE OF US*)

Praise for HOW TO LOVE: “HOW TO LOVE is epic. I crushed so hard on this book. A roller coaster ride with all the euphoric highs and the stomach-dropping lows of falling in love. The writing is as beautiful as the love story. I adored it!” (Siobhan Vivian, author of *THE LIST*)

Praise for HOW TO LOVE: “A vibrant, sparkling narrative of first love and second chances - will remind you that love isn’t ever easy, but falling for a great story is.” (Entertainment Weekly)

Praise for HOW TO LOVE: “[In this] confident debut...it’s impossible not to root for the two of them to beat the odds.” (Publishers Weekly)

Praise for HOW TO LOVE: “Cotugno’s debut ambitiously, and intriguingly, follows a couple who fall in

love twice, over two different time periods." (Booklist)

Praise for HOW TO LOVE: "Readers looking for a story of whirlwind passion...and a happily-ever-after drive into the sunset will not be disappointed." (Voice of Youth Advocates (VOYA))

From the Back Cover

Day 1

Julia Donnelly eggs my house my first night back in Star Lake, and that's how I know everyone still remembers everything—how I destroyed my relationship with Patrick the night everything happened with his brother, Gabe. How I wrecked their whole family. Now I'm serving out my summer like a jail sentence: Just ninety-nine days till I can leave for college and be done.

Day 4

A nasty note on my windshield makes it clear Julia isn't finished. I'm expecting a fight when someone taps me on the shoulder, but it's just Gabe, home from college and actually happy to see me. "For what it's worth, Molly Barlow," he says, "I'm really glad you're back."

Day 12

Gabe got me to come to this party, and I'm actually having fun. I think he's about to kiss me—and that's when I see Patrick. *My* Patrick, who's supposed to be clear across the country. *My* Patrick, who's never going to forgive me.

Eighty-seven days of summer to go, and history is repeating itself. The last thing I want is to come between the Donnelly brothers again . . . but the truth is, the Donnellys stole my heart a long time ago.

Users Review

From reader reviews:

Edward Christensen:

Do you have favorite book? Should you have, what is your favorite's book? Reserve is very important thing for us to learn everything in the world. Each reserve has different aim or perhaps goal; it means that guide has different type. Some people really feel enjoy to spend their a chance to read a book.
