Leon and Louise By Alex Capus

Summer 1918. The First World War is drawing to a close when Léon Le Gall, a French teenager from Cherbourg who has dropped out of school and left home, falls in love with Louise Janvier. Both are severely wounded by German artillery fire, are separated, and believe each other to be dead. Briefly reunited two decades later, the two lovers are torn apart again by Louise's refusal to destroy Léon's marriage and by the German invasion of France. In occupied Paris during the Second World War, where Léon struggles against the abhorrent tasks imposed upon him by the SS, and the wilds of Africa, where Louise confronts the hardships of her primitive environment, they battle the vicissitudes of history and the passage of time for the survival of their love.

Editorial Review

From Booklist

A century before the Internet and online dating, young men and women met the way they do in the opening scenes of Capus' engaging tale set in the French village of Saint-Luc-sur-Marne during World War I. Léon Le Gall is smitten with comely Louise Janvier the moment he sees her riding her rickety bicycle through town. The two begin spending their days together and are soon inseparable. A short time later, they're caught in artillery fire. Each presumes the other is dead. Ten years later, Léon is living in Paris, a devoted husband with a four-year-old child. Louise, however, is never far from his mind. When he catches a glimpse of her at the train station, a conflict of conscience ensues. Should he stay faithful to his wife and family or follow his heart? He's tempted to do the latter, as his marriage has grown stale, and his job is driving him mad. Against the brutal backdrop of war, Capus renders a powerful tale of love lost and found. --Allison Block

Review

'A beautiful love story.' 'It's a great love story told with great humour... along the lines of The Guernsey Literary and Potato Peel Pie Society, Atonement and The Postmistress.' 'Swiss author Capus is an apt storyteller... On its surface, this is a story about enduring love. But it is also about the way that power can be abused... and the daily sacrifices people make to preserve what they hold most dear.' 'Capus' leads are riveting, credible creations -- he sensible and correct, she feisty and headstrong. We root for them, especially when war takes over and threatens to sunder them for good... This love-conquers-all tale could easily have been trite and saccharine, but instead Capus' fusion of gripping drama and believable characters renders Leon and Louise both powerful and poignant.' '[G]em of a novel...' '[W]insome bonbon of a novel in which "The End" feels like an unexpected and unfairly realistic awakening.' 'A perfectly plotted love story, which never becomes over saccharine.'

About the Author

Alex Capus is a French-Swiss novelist who writes in German. His works of fiction and non-fiction that have been translated into English include Sailing by Starlight (2008), A Matter of Time (2009), Leon and Louise (2012) and Skidoo (2014).

Users Review

From reader reviews:

Sandra Gregory:

Reading a reserve tends to be new life style with this era globalization. With examining you can get a lot of information that will give you benefit in your life. Along with book everyone in this world could share their idea. Textbooks can also inspire a lot of people. Lots of author can inspire their very own reader with their story as well as their experience. Not only the story that share in the textbooks. But also they write about the data about something that you need example. How to get the good score toefl, or how to teach your kids, there are many kinds of book which exist now. The authors on this planet always try to improve their ability in writing, they also doing some exploration before they write with their book. One of them is this Leon and Louise.

Darren Billups:

Why? Because this Leon and Louise is an unordinary book that the inside of the e-book waiting for you to snap that but latter it will jolt you with the secret the idea inside. Reading this book adjacent to it was fantastic author who also write the book in such wonderful way makes the content within easier to understand, entertaining approach but still convey the meaning entirely. So , it is good for you because of not hesitating having this any longer or you going to regret it. This excellent book will give you a lot of rewards than the other book include such as help improving your skill and your critical thinking approach. So , still want to delay having that book? If I were you I will go to the guide store hurriedly.

Matthew McDaniel:

Reading a book to be new life style in this year; every people loves to read a book. When you learn a book you can get a wide range of benefit. When you read ebooks, you can improve your knowledge, because book has a lot of information on it. The information that you will get depend on what kinds of book that you have read. In order to get information about your review, you can read education books, but if you act like you want to entertain yourself look for a fiction books, these kinds of us novel, comics, in addition to soon. The Leon and Louise provide you with new experience in reading through a book.

John Bullard:

A lot of guide has printed but it takes a different approach. You can get it by online on social media. You can choose the best book for you, science, comic, novel, or whatever by searching from it. It is referred to as of book Leon and Louise. You'll be able to your knowledge by it. Without leaving the printed book, it could add your knowledge and make a person happier to read. It is most significant that, you must aware about publication. It can bring you from one destination to other place.
