Terror Squad (The Destroyer) (Volume 10) By Warren Murphy, Richard Sapir

Skyjackings are suddenly on the rise. Terrorist groups seem to be coming out of the woodwork, armed with surprisingly strong tactics, total self-confidence, and an unshakable commitment to whatever anti-establishment credo-of-the-week they've bought into. Someone must be training them. Someone must be encouraging and supporting them. One man must be stopping them.

ABOUT THE SERIES: Sentenced to death for a crime he didn't commit, ex-cop Remo Williams is rescued from the electric chair and recruited by a secret government organization as an assassin, targeting criminals who are beyond the law. Remo's trainer is a curmudgeonly old Korean named Chiun, whose mastery of the terrifyingly powerful martial art of Sinanju makes him the deadliest man alive.

The winning combination of action, humor, and mysticism has made the Destroyer one of the best-selling series of all time. **With more than 150 books and over 50 million copies sold worldwide**, the Destroyer has been praised by the LA Times as "flights of hilarious satire," and gave birth to the mythology of the brash young Westerner taught by an ancient, inscrutable master.
