Editorial Review

Amazon.com Review

He may be an old standby, but he never lets us down. When in doubt, turn to the story of the cat that transformed a dull, rainy afternoon into a magical and just-messy-enough adventure. There's another, hidden adventure, too: this book really will help children learn to read. With his simple and often single-vowel vocabulary, the good Doctor knew what he was doing: hear it, learn it, read it--laughing all the way. *The Cat in the Hat* is a must for any child's library.
