The Duel: The Eighty-Day Struggle Between Churchill and Hitler By John Lukacs

This is a day-by-day account of the eighty-day struggle in 1940 between Hitler—poised on the edge of absolute victory—and Churchill—threatened by imminent invasion and defeat--on the eve of the second World War.

“A masterful book—masterful in its portrayal of its protagonists, masterful in its overall understanding of the death-struggle in which they engaged, masterful, above all, in its vivid, suspenseful chronicling of the most momentous eighty days in the history of this century.”—Geoffrey Ward

“This is a marvelous book. John Lukacs has lucid, unsentimental insight into the mind and character of both Churchill and Hitler.”—Conor Cruise O’Brien

“A wonderful story wonderfully told.”—George F. Will

“It is salutary to be reminded in this powerful study how close Hitler came to winning in 1940. . . . An impressive study . . . [written] with elegance and panache.”—Peter Stansky, *New York Times*

“A master of narrative history on a par with Barbara Tuchman and Garrett Mattingly.”—*Kirkus Reviews*

Editorial Review

From Library Journal

Lukacs is a familiar name in World War II studies. These two volumes, released in 1990 and 1976, respectively, follow the key players on the other side of the Atlantic. The duelists in the first title are Churchill and Hitler, and this book covers the pivotal 80-day period in 1940 when the Germans were poised to crush British forces and invade the empire. The second volume offers a precise time line of events and describes both what happened and why. Lukacs concentrates not only on the historical but on the sociological aspects of the war. For all collections.
