The Pathology of Hyperbolic Religion By Edward E. Bridwell

In his thoroughly researched and contemplative book, *The Pathology of Hyperbolic Religion*, Dr. Bridwell describes testing and analysis conducted among thirty charismatic worshipers. From this, he was able to gain a comprehensive understanding focused from both Christian teaching and psychological science research techniques, providing one of the best sources available on charismatic study. If you're looking for answers to your questions about cultic practices, worried about a loved one who has joined a questionable church, or just interested in learning more about the history behind the belief, *The Pathology of Hyperbolic Religion* is for you.
